

DOG LICENSES/PROCEDURES

The fee for un-spayed/un-neutered dog is \$18.50 The fee for spayed/neutered dog is \$8.50

NEW LICENSES

- Provide certificate of current rabies vaccination
- Provide spay/neuter certificate if applicable

RENEW ALS

- Dog licenses are renewed annually effective the month the dog was originally licensed
- Current rabies vaccination information must be on file with the Town Clerk
- Spay/neuter certificate must be provided to change the status of the dog at the time of renewal and take advantage of the lower license fee

Free Rabies Immunization Clinics containing the information for late spring, summer, and fall free rabies vaccinations are usually available to us in early spring. The information forms will state the various locations throughout Niagara County and the times for vaccinations.
